- **CHECKLIST** of all reportable and non-reportable fringe benefits

NTAA's 2022 FBT Return Preparer \$395 value FREE to Registrants

The NTAA's 2022 FBT Return Preparer has been updated and incorporates all changes for the 2022 FBT year. It also provides 'audit proof' worksheets that explain all FBT calculations and allows you to reconcile all numbers in the FBT return.

Key features of the 2022 FBT Return Preparer

- It's registered with the ATO and produces a copy of the 2022 FBT Return that can be electronically lodged with the ATO using the SBR platform
- It can be used by FBT-taxable, rebatable and exempt employers to prepare the 2022 FBT Return
- Allows employers to compare the Statutory formula and logbook methods

Take the guesswork out of the reportable benefit rules in the 2022 FBT year - our software:

- Provides employers with a detailed report on the reportable fringe benefit amount ('RFBA') for each particular employee
- Produces a personalised report that can be provided to employees recording their RFBA for the 2022 FBT year
- Calculates an employee's RFBA for FBT-taxable, rebatable and exempt employers

Avoid the FBT paperwork nightmare for the 2022 FBT year

- 'Audit proof' worksheets explain how each FBT calculation was determined
- Automatically produce declarations that employees must prepare for the 2022 FBT year
- Generate employer declarations (e.g., meal entertainment elections) that must be made for the 2022 FBT year

2022 Salary Sacrifice Calculator only \$99

Registrants to the 2022 FBT seminar are also entitled to purchase the NTAA's Salary Sacrifice Calculator for the discounted price of \$99.

Some of the key features of the 2022 SSC include:

- It calculates savings that are achieved from salary packaging for multiple income years
- Employees can compare the savings from salary packaging a car under the SFM and logbook methods
